TM

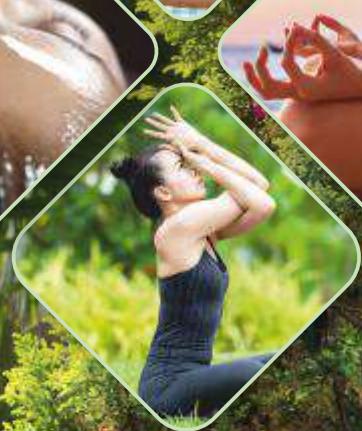

The First Edition of

India International Ayurveda and Wellness Expo & Summit 2026

Supported By

Celebrating India's Wellness
Heritage – Global Pathways
to Holistic Health

An international platform uniting
practitioners, brands, policymakers,
and innovators in Ayurveda, Yoga,
Naturopathy, Wellness and Holistic
Health

Dates :

23rd – 25th January 2026

Venue :

Dr. Shyama Prasad Mukherjee
Indoor Stadium, Bambolim - Goa

Time :

10.00 am to 6.00 pm

OVERVIEW :

Goa Ayurvedic and Other Allied Indian Systems of Medicine, Council Act, 2019 (Goa Act 15 of 2019) is a statutory body, constituted by the Government of Goa.

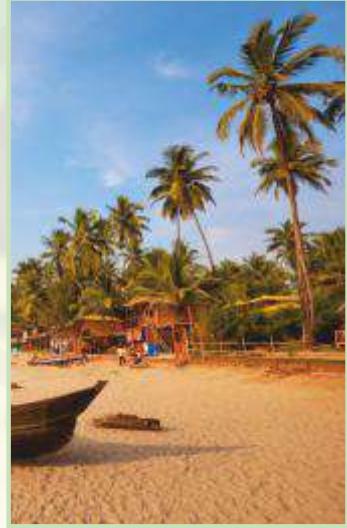

The Council is dedicated to promoting, regulating, and advancing Ayurveda, Yoga, Unani, Siddha, and Homeopathy in Goa. The Council works to position Goa as a global wellness destination through education, research, and collaborations.

The First edition of India International Ayurveda and Wellness Expo & Summit 2026 is the premier platform showcasing India's ancient healing traditions and their modern relevance.

It aims to position Goa as the global hub for Ayurveda, Natural healing, and Holistic wellness, bringing together thoughtful Leaders, Practitioners, Businesses, Entrepreneur and Seekers of Wellness under one roof.

Why Goa ?

- **Global Appeal :** Goa is India's premier destination for wellness tourism
- **Air Connectivity :** Easily accessible from major Indian cities and global hubs
- **Natural Backdrop :** Serene beaches, lush greenery — ideal for promoting health and well-being
- **Existing Ecosystem :** Home to several Ayurvedic retreats, yoga centers, wellness resorts
- **Tourist-Friendly :** Cosmopolitan culture with high infrastructure readiness
- **Supportive Policies :** Tourism department of Goa has started promoting wellness tourism

KEY OBJECTIVE:

Showcase | Connect | Innovate

- Promote Holistic Wellbeing and Preventive Healthcare
- Create Awareness About Authentic Ayurvedic Practices
- Strengthen the Global Positioning of India as a Wellness Hub
- Provide a Platform for Industry Collaboration and Innovation
- Encourage Sustainable and Healthy Lifestyles
- Support Market Expansion and Business Opportunities
- Showcase and connect stakeholders across AYUSH Industry
- Initiate dialogue with government and private sectors to regulate and promote the wellness industry.
- Encourage entrepreneurship, research, and innovation in Ayush-related fields.

Event Highlights :

- **Mega Exhibition Pavilion** : Prominent exhibitors from India and abroad from Ayurveda, Wellness, Tourism, Manufacturers showcasing various products & services
- **International Ayurveda & Wellness Summit** : Featuring Eminent Scholars, Researchers, and Policymakers, Keynotes, Panel Discussions, Workshops and Poster Presentation
- **B2B and B2C Networking Meetings** : Connecting Indian manufacturers with Domestic and International buyers, B2B meets, Investor pitches, Networking with Potential International Consul Generals
- **Startup and Innovation Pavilion** : Showcasing Innovation and Entrepreneurship.

PAPER AND POSTER PRESENTATION

The Paper And Poster Presentation Session aims to highlight cutting-edge work and encourage knowledge exchange among experts and young scholars contributing to the advancement of Ayurveda and AYUSH. Participants are welcome to present original research, case studies, reviews, innovations, or conceptual frameworks that align with the objectives of holistic health and sustainable wellness.

We are pleased to invite **Practitioners, Researchers, Academicians, and Students in the field of Ayurveda and AYUSH** to participate in the First Edition of the India International Ayurveda & Wellness Expo 2026. This expo will serve as a global platform to showcase innovative research, traditional knowledge systems, integrative healthcare models, and emerging trends in holistic wellness.

Topics for Paper And Poster Presentation

Ayurveda & Clinical Research

- Case studies demonstrating successful Ayurvedic treatments
- Panchakarma efficacy studies
- Integrative oncology and Ayurveda

Pharmacology & Drug Development

- Standardization and quality control of Ayurvedic formulations
- Novel dosage forms and Ayurceuticals
- Medicinal plant research and phytochemistry
- Safety and toxicity studies in herbal medicine

Public Health & AYUSH

- Role of Ayurveda in preventive and promotive healthcare
- AYUSH-based community health models
- Traditional knowledge for maternal and child health

Wellness, Lifestyle & Yoga

- Ayurvedic dietetics and personalized nutrition
- Stress management through Ayurveda, Yoga, and Meditation
- Sleep science and Dinacharya/Ritucharya applications

Traditional Knowledge & Innovations

- Documentation of traditional healing practices
- AI and digital tools for Ayurveda research
- Ayurveda tourism and wellness industry innovations

Terms & Conditions :
